

Development articles vs poverty reduction, 2002 -> 2021 (\$2.15/day, 2017 ppp) across LMICs

Poverty reduction, 2002 -> 2021 (\$2.15/day, 2017 PPP) (millions of people lifted; negative = increase)

India is shown as an imputed point (linear interpolation between PIP surveys 1993/2004 for 2002 and 2011/2022 for 2021); excluded from the proportional-representation slope.
